Professional Summary

Experienced media professional with over 5 years of expertise in video editing, live streaming, and graphic design. Successfully managed 200+ high-level government and international events for clients such as the Ministry of External Affairs (MEA), Bihar Vidhan Sabha, and G20 India. Adept in handling live coverage of dignitaries including Hon'ble PM Narendra Modi & U.S. President Donald Trump. Currently serving as Project Manager at the High Court of Uttarakhand for Shruti Visual Information Pvt. Ltd., where I handle daily live court proceedings using NDI camera setups and iCast streaming devices.

Work Experience
